Sewer Regulations

1. All sewer bills shall be due and payable on presentation.
2. A non-returnable charge of \$10.00 shall be made for each application for sewer services.
3. A charge for tapping a sewer main within the boundaries of the Village of Chatham shall be \$400.00 to the curb, and shall be paid in advance; but where it is necessary to carry sewer pipe or pipes from the sewer main to the curb and where it is necessary to remove the pavement of any street or highway, the charge shall be \$600.00. Oversized pipe or special specifications will require additional charges for labor or materials.
