WATER REGULATIONS

1. All water bills shall be due and payable on presentation.
2. A non-returnable charge of \$50.00 shall be made for each application for water services.
3. A charge of \$25.00 shall be made for any shutting off water and a charge of \$25.00 shall be made for turning on water. Except – if both are made during same normal work day.
4. The charge for tapping a water main within the boundaries of the Village of Chatham shall be \$700.00 to the curb, and shall be paid in advance; but where it is necessary to carry water pipe or pipes from the water main to the curb and where it is necessary to remove the pavement on any street or highway, the charge shall be \$1400.00. Oversized pipe or special specifications will require additional charges for labor or materials.
