

Village of Chatham, NY

SPRING NEWSLETTER 2022

LEAF PICK UP: Leaf pick up will start again in April. The Village requests use of biodegradable bags. Please do not put twigs or sticks in the bags. If you bundle them and place next to the biodegradable bags, the Village will collect these later. Branches should be tied in bundles. Wood should be cut as follows: over 2” in diameter – 2 feet long / under 2” in diameter – 4 feet long.

HEAVY TRASH DROP OFF: May 16-19, 2022. The Village will once again offer heavy trash “drop off” at the DPW Garage. You will be required to show proof of residency to drop off your items. This will be done by providing a voucher to the DPW workers. The voucher can be obtained at the Village Tracy Memorial Building. This is a one-time offer per household. Please contact the Village Clerk to make an appointment to obtain your voucher at (518) 392-5821 ext. 3.

EMAIL/PHONE NUMBER REQUEST: The Village Clerk’s office is requesting your assistance in our efforts to communicate important information in a timely manner. We are requesting either your email address or a phone number to contact you in the event of an emergency; a water leak or water main break; a snow emergency requiring parking restrictions; office closings; or changes in trash pick-up. Most of these items are posted on the website for your information if you prefer not to provide this information.

FIRE DEPARTMENT ANNOUNCEMENT: KnoxBox provides a Rapid Access System for first responders, allowing immediate access into a secure building in an emergency. First responders can utilize the KnoxBox to reduce access time and minimize forced entry damage.
